Fellows are selected based upon excellence and accomplishment in litigation, both at the trial and appellate levels, and superior ethical reputation. The LCA is aggressively diverse in its composition. Established as a trial and appellate lawyer honorary society reflecting the American bar in the twenty-first century, the LCA represents the best in law among its membership.

Since 1937, Kroger, Gardis & Regas, LLP, has provided legal representation to clients throughout Indiana in a broad range of legal disciplines, including healthcare, business transactions, municipal law, and finance. Its litigation attorneys represent clients in creditor's rights, business, environmental and construction litigation.
